DoDEA Europe South District to Host Special Visitors: Meet the Visitors

From February 20 to March 1, 2024, all 16 DoDEA Europe South District schools will be visited as part of an Accreditation Engagement Review. It is like a test to see how well the schools are doing.

During the review, a team of educators who work in education will visit all 16 schools. The team visiting our schools have been named. The team will consist of four companies. Here is a list of the companies and which schools they will be visiting.

- **Alpha Company:** Bahrain Elementary School, Bahrain Middle/High School, Ankara Elementary Middle/High School, and Vicenza Middle School
- **Bravo Company:** Vicenza Elementary School, Livorno Elementary/Middle School, Sigonella Elementary, Sigonella Middle/High School and Aviano High School
- **Charlie Company:** Rota Elementary School, Rota Middle/High School, Sevilla Elementary/Middle School, Naples Elementary School, Naples Middle/High School and Aviano Elementary School
- **Zulu Company:** All 16 schools

It is important to know the team members who will be visiting your school. Click the link: [Cognia Review Team Bios](#) to see the team members' bio and pictures of the people visiting your school.

Dear Parents of Naples Complex Schools,

As an ongoing focus on continuous improvement, our district, Europe South, hosts an Engagement Review Team from Cognia, an international accreditation agency that conducts these on site reviews every five years. Our district will host this group of educational volunteers on site from February 19 - March 1, 2024.

Cognia team's purpose is to rate our district on each of [Cognia's Performance Standards](#) and give us feedback on our continuous improvement efforts. As a result of the on-site review, a report will be provided in which the Cognia team will give feedback specific to areas that need improvement as well as areas identified as noteworthy practices. Our district will file a Progress Report with Cognia two years (2026) after the review for any areas of improvement that may be identified.

Stakeholder perceptions of our district are a critical part of this review process, and we would value your input. The team will visit every school site in Europe South and seek input from all our parents. The Cognia Team will be visiting the Naples School Complex on February 26th and 27th. To that end, a thirty-minute meeting has been scheduled for parents to meet with the Cognia team. Please see your complex specific information below.

Also, the Cognia team will randomly select students in grades 3-12 to be interviewed in a group setting to gain students' perceptions. A student may decline the offer to participate in the group interview.

If you have any questions, please contact your school administrator. Thank you for your continued support in helping us reach our mission.

Date of Meeting: February 26th

Time: 1700-1730

Location: Naples Elementary School Cafeteria

About Cognia

Cognia offers accreditation and certification, assessment, professional learning, and improvement services to institutions and other education providers. Cognia was formed to bridge the gap between school evaluation and student assessment. As a global nonprofit working in more than 90 countries, our 32,000+ institutions serve and support nearly 17 million students and 800 thousand educators every day. Cognia is proud to serve as a trusted partner working with DoDEA to advance learning for all military connected families.

Cognia Accreditation

Cognia recognizes schools that meet rigorous standards focused on productive learning environments, equitable resource allocation for the needs of learners, and effective leadership. Earning accreditation from the Cognia Global Accreditation Commission is a recognition that the school meets Cognia Performance Standards and maintains a commitment to continuous improvement. To earn Cognia Accreditation, a school also must implement a continuous process of improvement and submit to external review. Schools in good standing can maintain their accreditation for a five-year term.

Dr. Mark A. Elgart, president and CEO of Cognia, stated, “Cognia Accreditation is a rigorous process that focuses the entire school and its community on the primary goal of preparing lifelong learners in engaging environments where all students can flourish. DoDEA has demonstrated that it has continually met high standards and made progress on key indicators that impact student learning. Maintaining their accredited status for over 75 years can only be achieved with a steadfast commitment to the quality and improvement of the education provided.”

Cognia is the parent organization of the North Central Association Commission on Accreditation and School Improvement (NCA CASI), Northwest Accreditation Commission (NWAC) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). Parents and interested community members can learn more about the Cognia Accreditation at cognia.org.

CORE VALUES

Student-Centered: Students are at the heart of all we do.

Excellence: We strive to exceed expectations in all we do.

Continuous Improvement: Our organization, its systems, and processes will be continually reexamined and improved.

Lifelong Learning: Learning is an active process of discovery where we cultivate curiosity, perseverance, and the desire to learn.

Diversity: We honor the uniqueness of each individual and embrace diverse beliefs and backgrounds. We respect differences and create inclusive environments which contribute to a better society for all.

Individual Potential: Individuals develop within an environment that nurtures intellectual, social, emotional, physical, and creative growth.

Shared Responsibility: Partnerships among families, students, staff, and community members are characterized by mutual commitment and collaborative effort that enrich the lives of our students.

Trust: We value relationships based on integrity, mutual respect, and open two-way communication. We cultivate a safe and risk-free culture that encourages and inspires innovation.

School Safety

Safety Reminders:

- No dogs allowed at school or on school grounds
- No students running off of buses in the morning or at school dismissal
- No students running in between buses or after buses
- No walking/running on wall in front of school
- No cars driving in front of school while buses are waiting to depart.

- ◇ Parents are required to sign students in at the main office when arriving after 0800. Students cannot be dropped off without any notification by the parents or guardians. This is for safety and accountability.– Admin
- ◇ In order to maximize daily learning, children will not be dismissed between 1400 and 1420 unless an emergency situation exists. The last 20 minutes of the day bring closure to a successful day of learning. Of course there are exceptions, but we kindly ask you to plan ahead. Thank you. –Admin
- ◇ Please submit the best contact information in case of an emergency. If you have already submitted your most up to date release/emergency contact information to NES, thank you!

OFF LIMITS

Please note that Naples Elementary School playgrounds are off limits to the community at all times.

Is Your Family PCSing?

If your family will be PCSing and they attend Naples Elementary or Middle/High School please remember to complete a withdrawal form and re-turn it to the front office/ Registrar as soon as you can. IF you are requesting to hand carry your child's Official Sealed School records with you, then the Registrar will need the completed withdrawal form at least 2 weeks before your student's last day of school. If you are PCSing over the Summer and you have requested to hand carry your student's official sealed school records, please wait to pick up your student's records until at least 2 weeks after school is out. You are not required to hand carry student records.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.
