1. Welcome & Opening

- Call to Order

Welcome everyone to our December SAC meeting. First, I would like to thank this community for their support of the teachers and staff at Naples Elementary School during the government shutdown. The parents who came together to provide lunch from Dante and gift cards, the USO dropping off nonperishable food items, the PWOC making a pasta lunch, it is all very much appreciated.

I'd also like to give acknowledge to the PTA for all of their hard work so far this school year with the fall festival, the book fair and the many events that they are working on. It is very much appreciated.

- Introductions (if needed)
